fish and turtles

cats & dogs

Dea Dispenser è il prodotto ideale sia per bere che per mangiare. Ruotando di 180° il sifone si ottiene una mangiatoia per cibo o un abbeveratoio per acqua permettendo all'animale di nutrirsi anche in assenza del padrone.

Dea Dispenser is perfectly suited for both food and water and allows your pets to feed themselves whenever they want. Simply rotate the dispenser one way for food and the other way for water.
